1. The READ ME document is integrated to the web and can be viewed by clicking the REAM ME button on the two webpages.

2. The link for Gemz is: http://www2.comp.polyu.edu.hk/~13104363d/Gemz/gemz

3. The link for LuZhanQi is: http://www2.comp.polyu.edu.hk/~13104363d/LuZhanQi/LuzhanQi

4. There maybe some problems with the LuZhanQi webpage that the chessboard does not appear. But the programme runs well off-line. A demonstration screenshot is also attached, named "Interface of LuZhanQi".
